Show Jumps & Accessories

At EQ Horseboxes, we believe in a quality product and a great service. That's why we are proud to offer such a wide range of Show Jumps and Accessories to our customers. Our Show Jumps start from training aids and simple sets to professional FEI standard fences, all of which can be supplied as standard or designed as sponsor fences.

Show Jump sets

With everything from a Basic Series right through to a Top Premium range, designed to meet the most rigorous demands and look impressive with their versatile shapes and colours.

We have something for every size yard or arena.

Training Set 1

ALU - BASIC

Perfect for training at home, the ALU-BASIC training course set offers everything you need to get started. The wings are manufactured in white or coloured powder coated aluminium and fitted with an attached PVC keyhole rail. The training course is also available with a metal keyhole rail at an additional cost. The quarter cut timber poles have an opaque paint finish and protective caps on the two ends of the poles. Wings, gates, planks and fillers are available in the colours shown. The cups are delivered with aluminium feet.

Aluminium training course set available in 300 cm and 350 cm consisting of:

- 10 training wings (aluminium)
- 15 poles (quarter cut timber)
- 2 planks (wood)
- 2 gates (wood)
- 2 filler (wood)
- 40 training cups

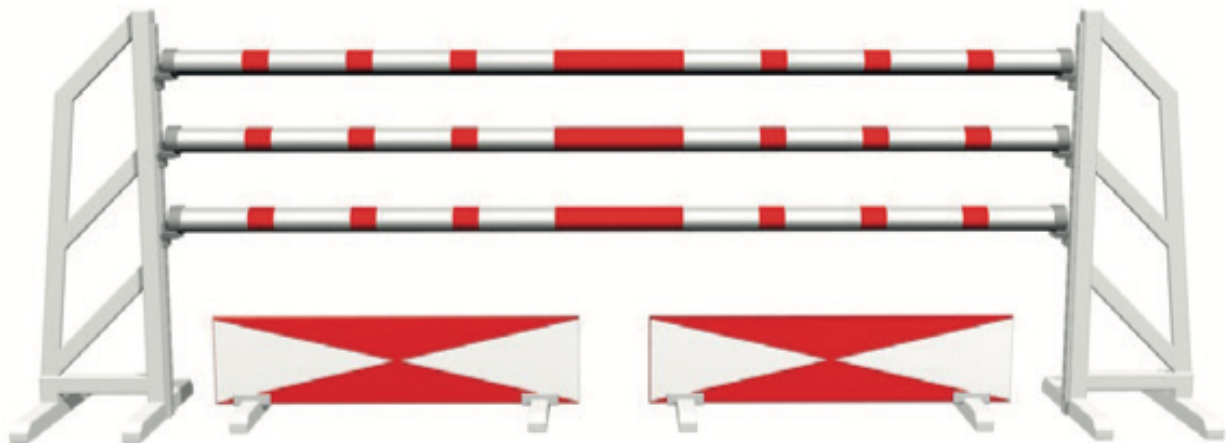

Training Set 2

ALU - LIGHT

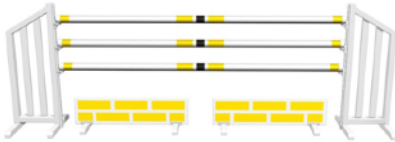

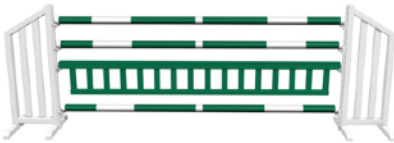

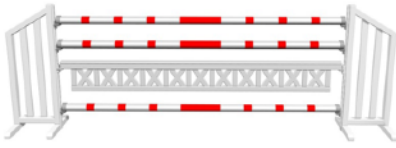

Perfect for training at home, the ALU -LIGHT training course sets offers everything you need to get started. The wings are manufactured in white or coloured powder coated aluminium and fitted with an attached PVC keyhole rail. The training course is also available with a metal keyhole rail at an additional cost. The quarter cut timber poles have an opaque paint finish and protective caps on the two ends of the poles. Wings, gates, planks and fillers are available in the colours shown. The cups are delivered with aluminium feet.

Aluminium training course set available in 300 cm and 350 cm consisting of:

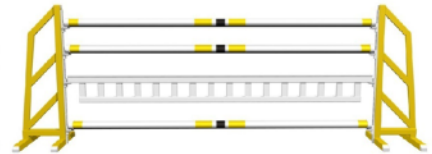

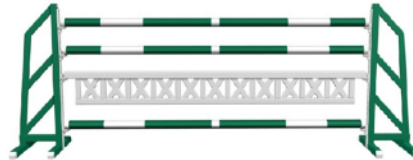

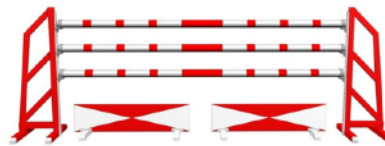

- 10 training wings (aluminium)
- 15 poles (quarter cut timber)
- 2 planks (wood)
- 2 gates (wood)
- 2 filler (wood)
- 40 training cups

Training Set 1 ALU - BASIC

Training Set 2 ALU - LIGHT

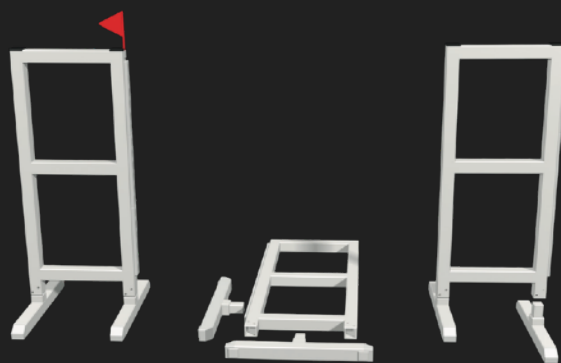

- These sets are available in a wide variety of colour options
- Both the wings and poles can be custom made to the colours of your choice, for example you can have 3 jumps a matching colour for a triple combination

QUICKjump

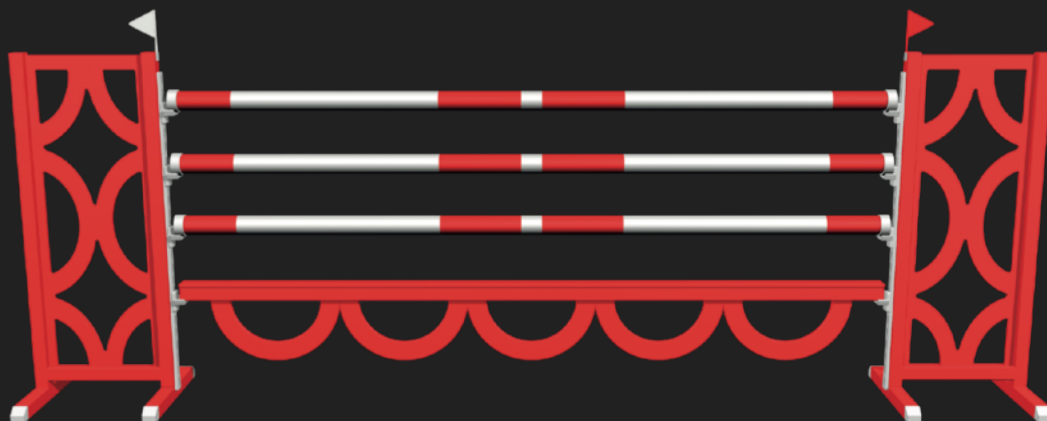

Assembly is executed in two steps: The elements are connected together via a simple insert system and then force-locked through bolting. QUICKjump enables a space-saving stacking. Simply placed on top of each other, each element is separately fixed in place, the frame construction and the mobile feet can be transported or stowed. QUICKjump can be set-up at lightning-speed.

Larger Arenas

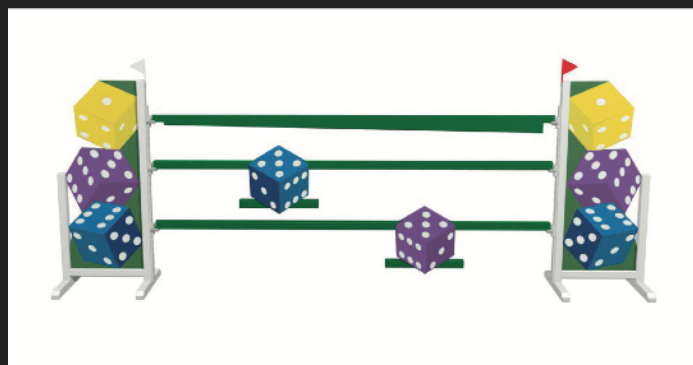

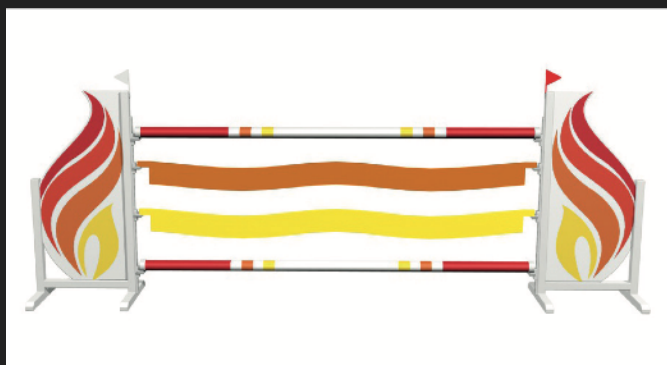

ALU - LIGHT XL

These are 85 x 175 cm so are perfect for larger arenas. This collection includes 27 different jumps, all the wings are made from a single casting. The frame of the wings is made of aluminium and inside is a plate made of multiplex, that is fixed to the aluminium frame with special brackets. Planks, gates and fillers are made of coniferous wood.

ALU - PREMIUM TOP

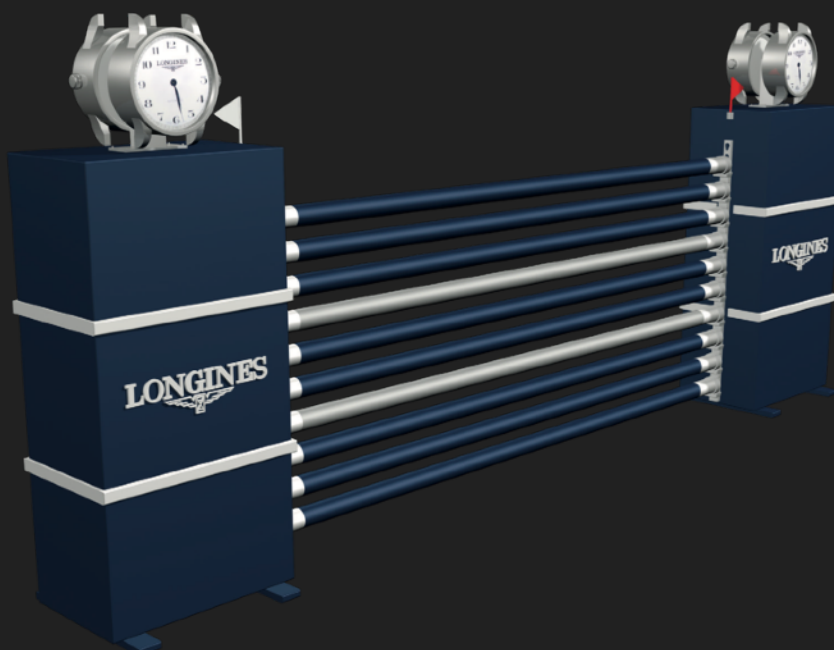

These are between 180 x 200 cm in height and 74 x 120 cm in width. All the wings are made from a single casting. The frame of the wings is made of aluminium and inside is a plate made of multiplex, that is fixed to the aluminium frame with special brackets. Au-light have one panel inside the frame. Planks, gates and fillers are made of coniferous wood. This series is suitable for the largest of arenas with their detail and designs making them especially good for competition venue.

Sponsor Show Jumps

Advertise your business to your target audience by designing your own unique fence with your business logo and branding. These eye-catching fences can offer spook-ability and become the talk of the ring, making good photo opportunities. Custom shapes, colours, as well as exclusively manufactured gates and planks are the outstanding characteristics of the sponsor jumps.

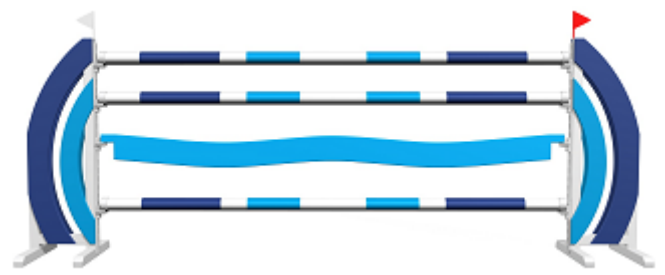

There are no limits to creativity and we can design you the perfect fence to promote your business.

Water Jumps

Fabric-reinforced water jumps are available in a large range of shapes, sizes and colours.

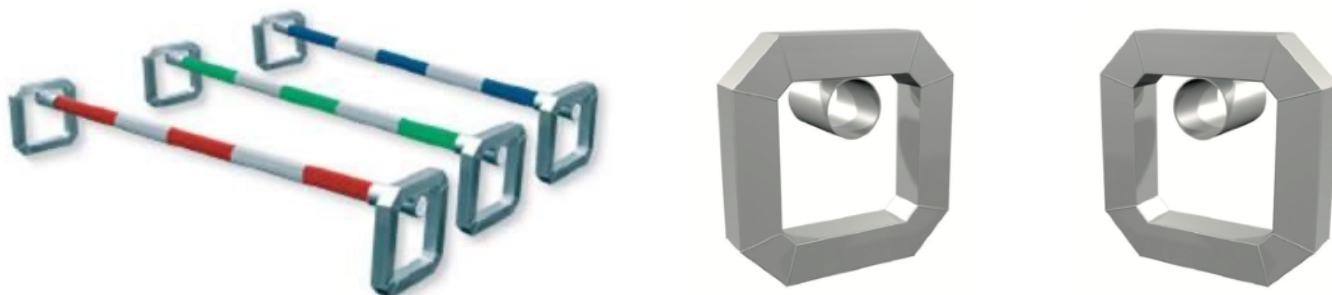

Wall Series

There are no limits to the design of the jump and there is also the possibility of fitting on jump rails and using poles, in addition to the use of wall inner parts this offers great diversity. Colour adaptation of the various elements to meet personal design ideas can be implemented on request. A jump wall also offers an unmistakable advertising opportunity.

Cavaletti

Cavaletti are an indispensable training aid. They can be used individually or in multiples. Excellent stability, very light, robust and weatherproof. Extremely popular for both showjumping and dressage training.

Accessories

As well as Show Jump accessories such as flags, flexi poles, numbers sets and start and finish elements, we can also provide dressage arena boards and markers.

Please contact us for further information or if you would like us to provide an estimate tailored to your specification.
